ILLUMINATED BLOCKS

mini bricks

2017 CATALOG

The Lazy Dog & Co.

We are a friendly US toy distributor based in Fort Lee, NJ. We currently carry two toy brands: Light Stax and TICO. Light Stax is a line of illuminated construction blocks. TICO is a line of mini bricks, or miniature building blocks.

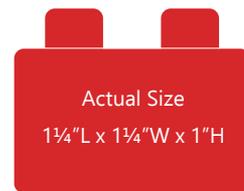

We endeavor to inspire creativity and imaginative play in children and adults of many ages. We also highly value our relationship with our customers, and strive to achieve strong partnerships with good margins and high sales. Our customers are served by our dedicated support team.

We are a proud member of ASTRA and we support specialty toy stores. We welcome you to contact us with inquiries or requests.

# LIGHT STAX®

100% compatible with DUPLO® bricks

Building blocks have always been one of the most popular toys among children. Unlike traditional building blocks, Light Stax® are beautifully colored blocks that glow. Building from a powered base, every block magically lights up as you stack. There is no “wrong” way of stacking the blocks, which provides endless possibilities to fulfill your imagination and creativity.

Light Stax® can also be used as a customized night light with 3 light modes: solid, flashing, fading. And all three modes have a 15 minute auto-shutoff.

One power base lights up hundreds of Light Stax® via USB power. 100% compatible with other building blocks of similar size.

## What are TICO Bricks?

TICO Mini Bricks are miniaturized building blocks with moving parts! They are the tiniest building bricks in the world! Each unit is 4 mm x 4 mm. The bricks come in a variety of rich colors and shapes, encouraging imaginative and creative play. Playing with these bricks can be both therapeutic and brain training. Through simple combinations of bricks, we can build and express things we love in life.

## Custom Requests:

TICO not only emphasizes great product quality, but can also accommodate customers' ideas about what they want in their very own TICO product. From packaging to final product, TICO welcomes custom requests for customers' own packing codes or product designs. TICO will go through the process with the customer from start to finish. Please contact us for more information.

TICO Mini Bricks are made in Taiwan and emphasize strict quality control. The bricks comply with ASTM F963, EN71, CPSIA and international toy safety standards.
